**TIMELINE OF EVENTS
SEPTEMBER – JANUARY 2022**

WELCOME

Welcome to the September issue of the Inspire North of Tyne newsletter. This month we are highlighting World Literacy Day & Heart Week!

As part of Heart Week, we will shine a spotlight on the career of cardiac physiologists, and pathways into this profession.

We're also hosting an inter-school competition for students to explore how technology can solve real-world problems. Check it out on the next page!
