

FULLY FUNDED SUPPORT TO HELP YOU GROW YOUR BUSINESS.

Our business support service drives technological and personnel growth among digital and non-digital businesses in the North East of England.

We work with trusted marketers, talent acquisition specialists and tech developers to deliver tailored business support in:

DIGITAL TALENT ACQUISITION

12 hours of consultancy-based support to North East SMEs hoping to attract digital talent into their organisation.

TECHNICAL SPECIFICATIONS

Understand the functionality required to build your platform and associated costs.

ELIGIBILITY

Our support is free to access for digital and non-digital businesses across the North East LEP area (Durham, Tyne and Wear and Northumberland).
